

**PROJECT PROFILE:** Loves Farm Housing Project

<b>Location</b>	St. Neots Cambridgeshire
<b>Client</b>	Bedford Pilgrim Housing Association
<b>Principal contractor</b>	SDC Builders
<b>Value</b>	£1.1m
<b>Duration</b>	52 Weeks
<b>Quantities</b>	4km of darinage - 3000m2 of Floor Slabs - 2000m3 of Concrete
<b>Scope of Work</b>	<p>Our remit was to carry out work in 4 separate packages and the Loves Farm project as a whole was to provide 170 units of social housing and as well as private dwellings.</p> <p>The work included installation of storm &amp; foul drainage systems , service trenching, structural topping to ground floor slabs, hard landscaping as well as a large element of roads and footpaths on the development.</p> <p>This was a challenging but rewarding project and one we are very proud to be a part of.</p>
