

PROJECT PROFILE: 397 - Chiswick Access Road

Location	Chiswick, London
Client	Rymco International
Principal contractor	Barton Civils Ltd
Value	£150,000
Duration	4 Weeks
Quantities	80 Imtr of Access Road
Scope of Work	<p>This contract saw us construct 80 linear meters of access road leading to 2 new developments.</p> <p>Our element of works included the installation of 160m of foul and storm drainage placed at 3 metres deep. We also provided connections into the public sewer system already in place in the main highway.</p>
